

**AMENDMENT TO H.R. 7**  
**OFFERED BY** Boswell

In section 1114 of the bill, in the matter proposed to be inserted as section 151(b)(2) of title 23, United States Code—

(1) strike “and” at the end of subparagraph (F);

(2) strike the period at the end of subparagraph (G) and insert “; and”; and

(3) add at the end the following:

1                   “(G) require each State and Federal agen-  
2                   cy—

3                   “(i) not later than 2 years after the  
4                   date of enactment of the American Energy  
5                   and Infrastructure Jobs Act of 2012, to  
6                   calculate the load rating or reevaluate and  
7                   as appropriate recalculate the existing load  
8                   rating for all highway bridges that are lo-  
9                   cated in the State or within the Federal  
10                   agency’s jurisdiction;

11                   “(ii) at least once every 2 years there-  
12                   after, to reevaluate and, as appropriate, re-

1 calculate the load rating for each such  
2 bridge; and

3 “(iii) to ensure the proper posting of  
4 safe load-carrying capacities for bridges  
5 unable to carry the maximum loads allow-  
6 able under State routine permitting or  
7 State legal load limits.
